**To: Parents/Guardians**

Dear all

As governors, we would like to thank the staff for all their dedication during what has been a very difficult year.

We also thank all our parents and wider community for their ongoing support and co-operation you have given the school in these difficult times.

We are disappointed that the school has had to close early due to COVID particularly at the end of the term when children enjoy the festive activities so much; the safety of the children, staff and the wider community is paramount.

Thank you for your understanding and we wish you a very happy and safe Christmas.

Yours sincerely

Jane Bate
