

4th January 2021

Good evening Parents/Carers,

As I am sure that you are aware the country is going back into a National lockdown from midnight tonight. Unfortunately, this means that we all need to remain at home unless absolutely necessary.

Following the government announcement, we will only be **opening school** tomorrow for:

- Children whose parents are key workers (please see link below for further clarification):
<https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>
- Vulnerable children
- Children who have an EHCP

Please only send your child into school if it is absolutely essential due to the much-increased level of risk for staff and children who must attend.

Remote learning, will be in place as soon as possible. Staff will be working on this tomorrow. All children will receive their own link to be able to access online learning via Microsoft teams. Details regarding this will follow later this week.

We appreciate your patience and understanding as we try and meet the challenges which lie ahead. We will update you with any further information, once we receive clarification from the government.

Mrs Peach

Headteacher
